“A PLACE TO CONGREGATE WITH FAMILY AND FRIENDS”

We, at Whiskey Run Creek Vineyard and Winery, are very excited to offer our facilities for rental. You may wish to have a small party with candle light in the excavated, all-brick caves or a large gathering in the barn. It's your choice, as well as many other personal touches we can provide for your event.

As you throw your bouquet from the barn's loft, discuss plans of action in the main room, or waltz around the surrounding outdoor deck, we are confident the atmosphere here at Whiskey Run Creek will enhance both the moments and the memories.

If you wish more information about renting Whiskey Run Creek, please call or email us at robert@whiskeyruncreek.com. Don't forget to visit www.whiskeyruncreek.com for our story and picture galleries.
